About This Game

"Hentai Shooter 3D" - First person shooter with spirit of good old days. One day our hero Seranul, hear the doorbell in his apartment, he open the door, but find nothing, except the strange portal. What leads him to some bizarre world. Only beautiful girls live here, which don't like men with strange names. And the only weapon what can be found here is a cucumber and two tomatoes... Help Seranul return home alive.

Game features:

- Retro graphics.
- Original idea.
- Girls in swimsuits, who want to kill you.
- Weapon Upgrade System. Start the game with one cucumber, and then upgrade it with tomatoes to a high-speed tomato machine gun
- The game contains no word, only action.

English,French,Italian,German,Arabic,Bulgarian,Hungarian,Greek,Danish,Traditional Chinese,Simplified Chinese,Korean,Dutch,Norwegian,Polish,Portuguese,Romanian,Russian,Thai,Turkish,Ukrainian,Finnish,Cz

The game is quite irregular but the one that has charts and good wallpapers makes up for it.. 10/10, never able to
a non pixelated woman again. Love this game, it has everything a good game needs.
